

# PHCP FEBRUARY NEWS

## News from the Director

February is a month for healthy hearts and teeth. Everyone enjoyed Miss Cheryl's presentation and especially her giant toothbrush. They learned to brush their teeth for as long as it takes to sing the ABC song twice. Love is in the air at PHCP, the children are creating beautiful things to celebrate Valentine's Day. The bulletin boards are filled with lots of creative art work and the children are having fun learning about space, groundhogs, and polar bears.

This winter the cases of respiratory infections and flu are high. Please make sure your child is symptom-free and without a fever for at least 24 hours. If your child has been diagnosed with bacterial pharyngitis (i.e. strep throat) they should remain home for at least 24 hours after starting antibiotics. Please let your child's teacher know if you have given them medicine before coming to school. We will call if your child becomes ill during the school day. The children will go outside, if it's not too cold. Please send in hat and gloves.

We have several new enrichment classes, please check out the board. Soccer will be starting in April. Look for the sign up sheet in March. We are beginning to plan our themes for summer camp. If you have any suggestions please let your parent reps, Danielle and Lauren know.

This is a wonderful time of year! The children have all grown so much! There is lots of exploring and learning going on in all of the classrooms. There are no formal conferences planned during the remainder of the school year, however if you would like to meet with your child's teacher before the end of the year, please ask to schedule one.

God's Blessings,  
Christine Jenne

## Parent Group News

Thank you to all who were able to make it out to our restaurant night at Moe's! We had a great turnout and raised over \$100 for our school! Mark your calendars for the next one on March 14<sup>th</sup> where PHCP will receive 40% of the profits!

At this month's meeting we talked about the upcoming social events that include the AR Workshop on Feb 25<sup>th</sup> and possibly a PHCP March Madness bracket and parent Happy Hour in March. Stay tuned for more information!

Reptiles Alive! will be coming to PHCP on Feb 26<sup>th</sup> & 27<sup>th</sup>. We have heard wonderful things about this program and it wouldn't have been possible without your support so thank you, thank you, thank you! We hope the students enjoy the show!

Last but not least, we are beginning to plan for PHCP's Spring Spectacular which will be held on Saturday, April 28<sup>th</sup> from 3p - 6p. This is a fun-filled community event with live petting zoo, pony rides, moon bounce, carnival games and more! In order for it to be a success we are starting to ask for volunteers. Please be on the look out for information regarding this event. Now's the time to get involved and support your school!

As always if you have any questions or concerns please contact Danielle Albers at [albers\\_danielle@yahoo.com](mailto:albers_danielle@yahoo.com) or Lauren Dolinski at [pareti@hotmail.com](mailto:pareti@hotmail.com)
