News from the Director

Happy 2018!! We hope everyone had a very restful and relaxing vacation. Thanks to everyone for all your tasty treats and creative gifts! Your generosity and love is greatly appreciated. With the new year we have begun registration for 2018-19. Thanks to all who have already returned their registrations. We are excited to have a junior kindergarten class in 2018-19. This class is for returning pre-K students first, and older children. Many of the children that will be in this class could have chosen to go to Kindergarten in the fall, but parents have decided to give their child the gift of an extra year to help build confidence and success. Please see me if you are interested in this class or have questions. We are still offering four and five day pre-K classes.

Our community Open House is this Friday, please invite your neighbors and friends. If you are able to come for an hour or so, and take a new family around the school, please let the office know. We are so thankful to have such great families and hard working teachers to make our school an excellent place for all children to learn and grow. In March some of our teachers will be attending a conference. We are in need of some substitutes on March 9th - if you would like to work, please let us know. Substitutes receive \$12 an hour.

In January the children will learn about winter animals, hibernation, snow, the weather cycle, outer space and more. We will let you know when the Tiny Tots concert will be as soon as we receive the information from West Potomac. You will be asked again if you are able to drive/chaperone.

We are looking forward to the new things God will do in 2018!

Join us beginning Wednesday, January 10th as we embark on our NEW STUDY "God's Wisdom for a Mother's Heart," a seven session bible study by Bobbie Wolgemuth. All mothers will benefit from this study that explores the many issues facing moms from a biblical perspective. It encourages women at every age and stage of life to strengthen their relationship with God, which in turn strengthens their influence in the home.

We will continue meeting the 2nd and 4th Wednesday of each month. Please join us and invite your friends. Moms Connect is open to all moms! Free childcare, coffee & prayer.

Please contact Amy Waddill if interested. Call or text 904-651-3389; or amywaddill@gmail.com.
