

PHCP FEBRUARY NEWS

News from the Director

February is a month for healthy hearts and teeth. Love is in the air at PHCP, the children are creating beautiful things to celebrate Valentine's Day. The bulletin boards are filled with lots of creative art work. The classes are having fun learning about space, healthy hearts and teeth. The children will be practicing acts of kindness at home and in school. Some of the classes have enjoyed learning about dinosaurs. Our Pre-K and Junior K classes are creating beautiful pieces of art for our Spring Arts Night in March. The children have been exposed to different artists and their techniques. We are looking forward to seeing all the finished work!

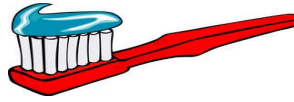

Thank you to all who participated in our Georgetown study! The school received fifteen literature books for our library, some of which will be raffled off at the Spring Spectacular. The purpose of the study was to help parents, teachers, and the media industry better understand how children's relationships with media characters influence children's science, technology, engineering and mathematics (STEM) skills. The study will be finished in about three years.

This is a wonderful time of year! The children have all grown so much! There is lots of exploring and learning going on in all of the classrooms. There are no formal conferences planned during the remainder of the school year, however if you would like to meet with your child's teacher before the end of the year, please ask to schedule one.

God's Blessings,
Christine Jenne

Dental Hygienist Presentation

Thursday, Feb. 21
9:30 a.m.

Moms Connect

February 13th & 27th
9:15-10:45

Messengers Classroom (upstairs)

Join us this month as we begin "Just Open the Door," a six session Bible Study by Jen Schmidt. This study sets out to reframe how we think about hospitality and to equip us to walk a road of welcome in our daily lives. Every time we choose open-door living - whether in our homes or by taking hospitality on the road - those we invite in are positively impacted, our kids grow up in a life-lab of generosity, and we trade insecurity for connection.

We will meet the 2nd and 4th Wednesday of each month. Come connect with us and invite your friends. Moms Connect is open to all moms! Free childcare, coffee & prayer. Please contact Amy Waddill at 904-651-3389 or amywaddill@gmail.com.

Important Dates

- February 13—Moms Connect
- February 13,14—Valentine's Day Parties
- February 15 —Scholastic orders due

Parent Group News

It seems like we just got back from the holidays and it's almost Valentine's Day! Time flies when you are having fun! We had a lot of fun at our parent group meeting in January where we talked about events for the remainder of the school year.

We had a great turn out for Moe's night! Thank you for everyone who came out to support PHCP! Save the date for our next Moe's night on March 13. PHCP receives 40% of funds from meals purchased—we appreciate Moe's and your participation!

We will be starting a shoe drive next Monday and it will run through April 11th! This is a great way to support PHCP and to support micro enterprise vendors. The shoes will be given to a small business in a developing nation where the shoes can be provided to families in need. Donate new, gently worn or used shoes in the box in the hallway. All sizes are welcome!

Join us on Thursday, February 14th for a parent social and parent group meeting at Allison's home after drop-off. We will discuss all of the exciting events happening at PHCP this spring!

Mark your calendars for Saturday, April 27th for PHCP's Spring Spectacular! We are starting to plan this fun-filled community event! The event will have a live petting zoo, pony rides, a cake walk, bounce house, food and more! We are starting to look for volunteers to help make the event a success! Be on the look-out for more information and get involved with this awesome community event that supports PHCP!

If you need anything or have questions or concerns, please reach out to Allison Bryant, Allison.k.bryant@icloud.com or Christine Kaskela, Christine.lawhorne@gmail.com.

We look forward to a fun filled spring at PHCP!
