News from the Director

Fall is a beautiful time of year! This is the time of year where we remember all that God has given us. We are thankful for our students, families and our staff! We are grateful for your partnership and prayers, as we navigate our way through this very different school year. The children have been doing a great job and have adjusted to all the new routines. It has been wonderful to see them so engaged in playing and learning!

Young children are developing many skills between the ages of two and five. We incorporate fine and gross motor activities in our curriculum. Fine motor skills are developed by doing things like cutting, tearing, painting, beading, lacing and using play dough. Outdoor free play, climbing, jumping, throwing, running and skipping help to develop their larger muscles. Both are important skills to have in addition to pre-reading and math skills. So set up an obstacle course in your yard and let them create masterpieces at home, it's fun and they will love it!

The classes had lots of fun learning about spiders and bats. They also enjoyed discovering the life cycle of a pumpkin, doing math activities with pumpkins and decorating their own pumpkin. In chapel they learned about the pumpkin gospel, God chooses us, washes us clean and puts His light in us so we can shine for Him.

Thanksgiving is a time to be a blessing. PHCP is partnering with PHBC to share the Love of Christ, the true meaning of Christmas, with those children who might not receive a gift for Christmas. Thank you for packing a shoebox!

God's Blessings,
Christine Jenne

A huge thank you to Allison and all the parents who worked so hard to make our Fall Family Day a fun day for all!!

Parent Group News

Happy Fall from the Parent Group!

Little Pumpkins Fall Family Day was a great success! Thank you to all of the families that came out to Fort Hunt Park! The games, crafts, food and the Class Pumpkins were nothing short of Spooktacular! A big shout out to all the volunteers and room parents! We could not have done it without you! A special note of thanks to Hughes Orthodontics for their generous contribution to the event! It helped us secure the space and the pumpkins!

Can you believe that Christmas is right around the corner? The wreaths and greenery orders have been submitted and will be delivered sometime the week of November 16th. Specific details will be sent out as the date gets closer. We will have a few extra items for sale that week in case you forgot to submit your order. You can also continue to fundraise for PHCP and submit orders online through early December or whenever Mickman Brothers supply runs out. Visit www.giftitforward.com and enter fundraising code PLYMOUVA001 and your family's last name. Online orders are a great way to let out of town friends and family know you are thinking about them!

Speaking of Christmas, we encourage you to participate in Operation Christmas Child to make Christmas a special day and spread God's love to a child overseas. Boxes were sent home with your child last week. This is such a wonderful way to teach your children the spirit of giving and share the good news of Jesus' birth with others.

We have rescheduled our visit from Squeals on Wheels to Friday, November 13th! The event will take place outside. If your child does not attend school on Fridays, they can still come and learn about the animals with one parent. Specific details on the time for your child's class will follow in Sue's weekly emails.

Watch your email and our Facebook page for other exciting events coming up this month!

Have a blessed Thanksgiving with your families and reflect on all that we have to be thankful for during these crazy times!
