

PHCP FEBRUARY NEWS

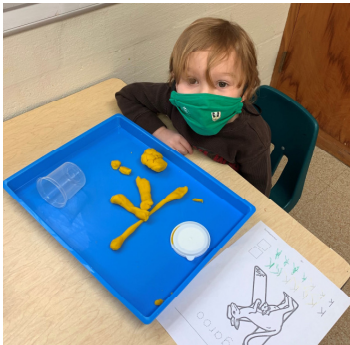

News from the Director

We hope everyone enjoyed the snow! February is healthy hearts and teeth month. The children will be learning how to make the best choices for taking care of their body and their teeth. Developing healthy habits at a young age will help them continue to make wise choices as they get older. Everyone will have the opportunity to be creative and make their own valentines. The shape for February is a heart. The children have been learning how Jesus loves them and wants to bless them. This month the fruit we are talking about is goodness. God gives us His Spirit and His Love so we can share it with others. Goodness does— love is best expressed as an action. Discuss with your children acts of kindness and how they can share His Love with others.

In February some of the children will also be learning about dinosaurs, zoo animals, weather and presidents. They are so curious at this age. Young children learn best by doing. When children are actively involved in their learning, they are developing their thinking, language, imagination, speaking and listening skills. Playing and working with other children offers them lots of opportunities to develop those skills. They can do this by making cookies in the kitchen or building a tower. Play also helps children to develop their ability to communicate and interact with others. Children need to explore and learn using their senses. Using their five senses helps them to come to their own conclusions and solve problems for themselves. This will help them to become independent life long learners.

This is a wonderful time of year! The children have grown so much since the first day of school. Thank you for partnering with us to help instill in your children a love of learning!!

God's Blessings,
Christine Jenne

Parent Group News

Happy February everyone! I know the snow was a welcome sight for our family. I hope you all enjoyed playing in the snow!

Thank you to all who attended our last parent group meeting! We will host the February meeting on Friday, February 19th. We will focus on planning some fun activities for the spring, including restaurant nights, Teacher Appreciation Week, and our Spring Spectacular. Please email me if you would like to attend. I will also send out the Zoom invitation in advance of the meeting.

We will extend our cleaning supply drive until Friday, February 12th to give those who would like to donate the opportunity to do so. Your donations will be greatly appreciated by New Hope Housing!

Watch your emails and the PHCP Facebook page for information about restaurant nights to support our preschool. I am awaiting confirmation of the dates from a couple of restaurants and will share the information as soon as I have it.

We have some exciting events coming up in March! Watch your emails and children's backpack for information about Teacher Appreciation Week from March 15th to 19th. We have a fun week planned to celebrate our amazing teachers at PHCP!

I look forward to connecting with you all soon!

Many Blessings,

Allison Bryant
