## News from the Director

We hope all our moms enjoyed their Mother's Day on Sunday! It was great to be able to have the classes invite the moms for a special treat. Our Frog class will be having their Mother's Day celebration this Thursday and Friday. Our Spring Spectacular is this Saturday!! I would like to thank Allison, Jessica and the Parent Group for making it happen. We are excited to meet some of our new families that have registered for the next school year this Saturday. This is a great family event you won't want to miss!

Spring is a wonderful time of year, there is so much change. Our caterpillars have turned into chrysalises and some have already become beautiful butterflies. The classes are having a lot of fun learning about insects and observing nature outside. In chapel we are reviewing all our bible stories the children have learned. All the classes have done an outstanding job signing the fruit of the spirit and singing songs about Jesus!

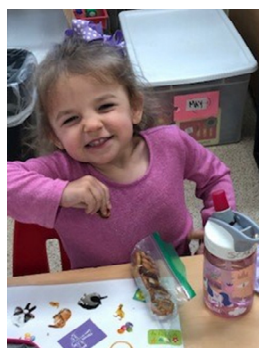

The teachers have worked extremely hard this year. Please take time to look at your child's work that will be sent home at the end of the year. What a joy it has been to see your children grow. Thank you for sharing them with us. We look forward to hearing about their summer adventures next year. For those who are moving on, we hope you will come back and visit!

God's Blessings,  
Christine Jenne

Can you believe it is almost summer?! We hope you can come out this Saturday, May 15th from 3:00 pm to 6:00 pm for our annual Spring Spectacular! This will be a preschool and incoming families only event. It will be an opportunity for your family to escape to an afternoon of family fun at the Boardwalk by the Sea and escape to some summer fun! We will have balloon animals, face painting, moon bounce, cake walk, crafts, games, the band Black Moon Tonic and the Kona Ice truck. In addition to our raffle, we will have an awesome Silent Auction! Each class has put together a class basket and we have received some exciting donations from our families and local community members!

Thank you to all the room parents and for everyone who has been working to put this great event together! We really need some volunteers to help us set up before the event and clean up after the event. Please use the link above to sign up to volunteer.

We will be wrapping up the year with a Krispy Kreme fundraiser! Thanks to Jessica Beaty for setting this up for us! You will be able to purchase a digital dozen for \$10.00 through our sign up genius link or at the Spring Spectacular. The digital dozen can be purchased and used anywhere in the US (except CT) for a dozen glazed donuts. To learn more click here: <https://www.signupgenius.com/go/10C0A4CAAA822A5FC1-krispy>.
