

PHCP December News

News from the Director

I would like to thank our PHCP families for donating Operation Christmas boxes. Thank you for taking the time to personally pack each box. We pray the children that receive them will know the joy and love of Jesus! In chapel the classes will be learning about the Advent wreath. The children will practice the sign language for Patience. Patience is something that must be practiced. The season of Advent is a time of waiting. As we wait, we prepare our hearts for the coming of our Lord Jesus. The circle shape of the wreath represents God's eternal love for us. The first candle is hope. Hope in Christ lights the way. Our hope is in Jesus alone. The candle is purple which represents royalty, Jesus is our King. Next week we will go to the sanctuary, so the children can see the Advent wreath and candles. We will light the candles for hope, peace and joy.

The children will be doing activities with the letters C, J, B and D. They will be playing in the kitchen making Christmas cookies and decorating their class tree. They will also be creating lots of Christmas decorations. The classes will be reading various books about the meaning of Christmas and singing fun Christmas songs. I will be going into the classes to read some holiday favorites. The children will also be sharing what they would give Jesus for Christmas.

With the winter season approaching please dress your child with warm jackets, gloves and hats. The classes will have recess outdoors whenever possible. Thank you for all your help in making the first three months of this school year go smoothly. We will be sending home registration forms for next year before the Christmas break. May this season of Christmas be filled with lots of love, laughter, joy and new family memories that will last forever!

Wishing you a Merry Christmas and a Happy and Healthy New Year!!

God's Blessings,
Christine Jenne

Parent Group News

I hope you all had a wonderful Thanksgiving and were able to spend time with family and friends. We have so many things to be thankful for including our wonderful preschool!

Thank you to everyone who ordered greenery! I enjoyed handing it out today! Have fun decking the halls and as always for your support to PHCP!

We will be putting together holiday food baskets to provide families in need in our local community at New Hope Housing. Be on the lookout for a signup link from me for the chance to donate an item. Each class will put together one basket so that we will be able to donate seven baskets to make families' holiday celebration special. Items will be due Friday, December 17. We hope your family will participate and help us to help others.

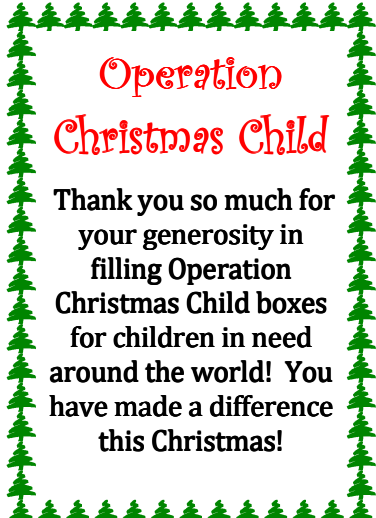

Also we are planning a restaurant night for sometime in December - watch your e-mails from the school for details.

I hope your Christmas is spent making memories with your children and celebrating the most precious gift of Jesus' birth! Have a fun a safe holiday! I look forward to the new year and some fun activities in 2022 with all of you!

Many blessings!
