

PHCP MAY NEWSLETTER

News from the Director

Thank you to everyone who supported the Spring Spectacular! The event was a huge success and the money we raised will allow us to plan Science Seed classes and purchase new classroom materials! Thank you to the room parents for putting together some amazing baskets for the auction and to all of our other silent auction donors. The church members and youth did a wonderful job staffing the kitchen, monitoring games, face painting and helping with set-up and tear-down. The event would not have been possible without the partnership of the church. Please let us know if you have any feedback about the event. We will be brainstorming more ideas for how we can fundraise next year!

May will be a busy month at PHCP as we celebrate all of our marvelous moms for Mother's Day and go to the Tiny Tots Concert next week. We are all closely monitoring our caterpillars and are hoping to see butterflies later in the month! The kids will also be working hard to prepare for the end of the year program on May 25. We look forward to celebrating another great year at PHCP at our family picnic!

I can't believe this is the last newsletter for the 22-23 school year! This has been a year of learning for me as a new director. I am so incredibly thankful for this amazing community of teachers, students, and families who have welcomed me to PHCP and supported me throughout the year.

We still have a few spots open for next year. Please share our information with new families that you meet over the summer! Thank you for your prayers and support for our wonderful school!

Many Blessings,
Sarah

Happy Mother's Day!

PARENT GROUP NEWS

Hello PHCP Families

Thank you so much to everyone who came out to the Spring Spectacular, to everyone who donated, and everyone who volunteered! Despite the rain we had a great turn out and a very successful event!

Thank you to Jill Stewart and her sister Sara for hosting an awesome class at Barre3 Old Town! I know I had a wonderful time and was sweating by the end.

In our last Parent Group email, we shared with you information and the link to the PHCP Teacher Book Wish List. If you did not receive this email, please let us know. All books purchased from this wish list will be added to the school's library.

Our next Parent Group meeting will be held on Monday, May 15th after morning drop off in the Fellowship Hall. The meeting will begin promptly at 09:15AM. We hope that you can join us as we discuss the current year's Parent Group fundraising and social events and initiatives and what you would like to see in the coming school year.

We hope that everyone has a wonderful week, and we hope to see you on May 15th!

Warm regards,

Sara Betancurt, PHCP Parent Group Co-Chair
