

PHCP FEBRUARY NEWS

News from the Director

There are only 4 months left of preschool and I know they are going to fly by! I love how excited the kids get to share their Valentines this month with their friends. You can really start to see all of the friendships that have formed this year in the classrooms.

We are partnering with Fort Hunt Elementary School again this year to help them provide food boxes for 30 families over spring break. Weekends and long breaks from school are often a challenge for families that are food insecure. Food drives are a wonderful opportunity to talk to your child about helping others. It's hard to believe that there is such a high need for resources like food and clothing in neighborhoods just a few miles away. I encourage you to let your child help you decide what items you would like to donate from the list. You can take your child with you to the store or for some of the youngest children you can buy some of the items and then let them "shop" in your pantry at home. This is a very concrete example of how we can serve others and show love to our neighbors. Any extra items will be donated to the local food pantry that serves the Fort Hunt Elementary families. More information about the food drive, including the list of items, will be emailed out towards the end of the month.

On Wednesday, February 7th we will have a special dental health presentation with Dr. Hughes at 11:00. If your child does not attend on Wednesday you are still invited to join us at the preschool to participate. Please let us know that you will be coming!

Valentine's day is one of my favorite preschool holidays. Your child's teacher should have communicated their plans for their class Valentine exchange and celebration. Please let us know if you have any questions!

Blessings,
Sarah

in the Owls class.

Parent Group News

Hello PHCP Families

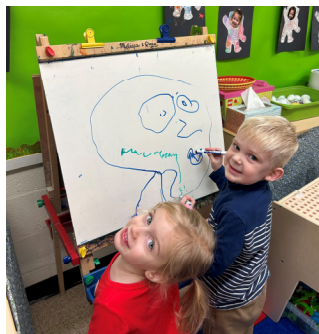

I hope everyone had a wonderful winter break and that everyone has been enjoying this first month back as much as my daughter Eva has!

With the holidays and 2023 behind us we now look to the remaining 4 months of the 2023-2024 school year and our next big fund raising event, The Spring Spectacular! Everyone should have received an email from the Parent Group with the preliminary information for this event and requests for assistance with planning the event and obtaining donations from local businesses for items for the silent auction and small raffle. For those who signed up to assist with planning the event please expect to hear from us with more information later in February.

For February we have 3 planned social events and hope that you can join us! If you have an idea for a social event or would like to host one please feel free to reach out to us at Parentgroup@plymouthhaven.org.

We hope everyone has a wonderful February!

Blessings,
