

# PHCP January News

## News from the Director

Welcome back to school! It was wonderful celebrating with so many of you at our Christmas performance last month. The kids did a wonderful job!

It's hard to believe that we are already planning ahead to next year! Thank you to everyone who has already turned in their registration forms. Please turn in your forms soon to make sure that you are able to get your first choice for your child's schedule next year. Community registration opens up on Friday, January 12<sup>th</sup>. If you know of any new families moving to the area or if you have neighbors with preschool age children please encourage them to contact me about a tour or program information!

Registration for summer camp will be going home soon. We are trying a slightly different schedule this year for camp to hopefully meet the needs of many of our families who need childcare that lines up more with the Fairfax County Public Schools calendar. We are working on ways to cut the cost so that it will also be a more affordable option compared the 4 day camp offered last year. Space for camp is limited so please make sure to sign up quickly if you want your child to participate. Once the classes are full I will start a waitlist. We will also be offering Stay and Play with limited space.

Now that winter is here please make sure to send your child with appropriate clothing for outdoor play. My boys are really excited about the possibility of snow this winter! Please remember that we follow FCPS for all weather related delays and closures. You will also receive a Remind message with information about schedule changes.

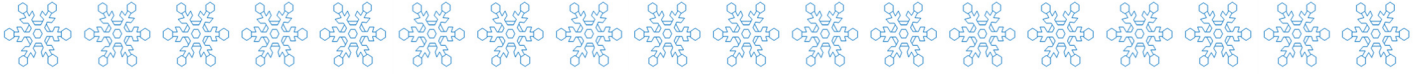

I am excited to be back at school and moving into the second half of our school year! We have lots of fun things planned as we move into spring.

Many Blessings,  
Sarah

## Important Dates

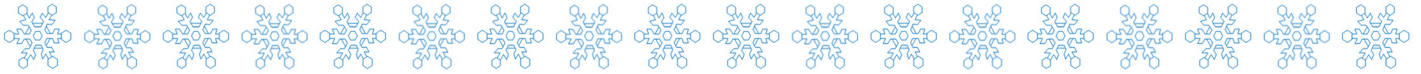

- January 11- Parent Group Meeting**
- January 12 - Community Registration Opens**
- January 15- NO SCHOOL—MLK Holiday**
- January 18/19 — Spirit Days**
- January 19-No Stay and Play**
