## News from the Director

March is the start of a lot of different events and activities at the preschool! Our first event is our Super Dad's STEM Night. On Thursday, March 7th we have invited all Dads and their children to join us for **Science, Technology, Engineering, and Math** Activities in the classroom and in the fellowship hall. This event was very well attended last year. It was a lot of fun to see the children have this special time at school with their dads. Ice cream sundaes are served as a special treat. Please RSVP on the sign-up genius to help with planning! Any special adult is invited to participate if Dad is unavailable that night.

Preschool Sunday is on March 17th at the 10:30 service at Plymouth Haven Baptist Church. The preschool children will sing a few songs at the beginning of the service before being dismissed to "children's church". Preschool teachers will be there to help your child feel more comfortable. The service is followed by an Egg Hunt. This was a lot of fun last year! We will practice the songs in the chapel the week before so please use the Sign-Up genius to RSVP.

Our Spring Spectacular is coming up and we need lots of help! Money from last year's event funded our Science Seed program, provided a scholarship and supplied classroom materials for teachers. Please contact me to find out how you can help! We hope that as many families as possible are able to attend!

Many Blessings,  
Sarah

## Parent Group News

We need lots of help as we gather items for our Spring Spectacular Silent Auction. We welcome any donations from local businesses or personal donations of tickets, experiences, services. Monetary donations to help underwrite the cost of the event are also welcome. Please let us know if you need a letter with the event donation information and our tax ID.

Do you know any teenagers looking for service hours? The Spring Spectacular is a great opportunity to earn volunteer hours! We need help monitoring the bounce house and games!

Ticket and food order forms, raffle tickets, and volunteer sign-ups will be going out later this month.
