

# PHCP APRIL NEWSLETTER

## News from the Director

Thank you to all of the families who participated in Pre-school Sunday! The kids did an amazing job singing during the service and the Easter Egg hunt was a lot of fun!

The Spring Spectacular is quickly approaching on April 27<sup>th</sup>. We are discussing different options for fundraising next year but for this year the Spring Spectacular will be our biggest fundraiser. **Please purchase your tickets and food in advance using the google doc form!** There are still many volunteer opportunities open for the Spring Spectacular. Please consider a 30-minute slot to help make this event a success. This event is open to the community. Please invite your friends and neighbors to join us! Tickets will be available on the day of the Spring Spectacular but we would love it if you would share the link for pre-orders.

Over the next few months I will be working with Leigh Pond to make the transition to a new director as seamless as possible for the preschool. Leigh has been part of the PHCP community for years both as a parent and teacher. As we start planning for next year I would love any feedback, positive or negative, that you might have about your experience this year at PHCP. There are always areas that we can improve on and we are open to new ideas or suggestions!

One big change coming for the 24-25 school year is that we will begin using a new program called Brightwheel that will allow us to streamline the way we do registration, tuition payments and communicate between home and school. Returning families will hear more about the Brightwheel app as we continue the enrollment process for next year. This is a program used at other local preschools and both parents and school staff have found it to be a helpful tool to stay connected.

Thank you for your ongoing support of our preschool!

Blessings,  
Sarah
